General guidelines

1. Vendor application forms must be properly completed and received by **Friday July 13, 2018**
2. **NEW CRAFT VENDOR OPTIONS 2018:** after surveying all the craft vendors last year during the festival, there seemed to be interest in having the option of vending for either 2 or 3 days (Sat-Sun or Fri-Sat-Sun). We realize that some of you have set schedules during the week and did not want to exclude potential vendors because of those prior commitments. Please note the following schedule:
 - * Friday: craft vendors should be in place by 4:00pm. The stage will open at 4:00pm for open mic and then the regular stage show goes from 6 – 10:00pm. Food vendors should be ready to serve by 6:00pm
 - * Saturday: all vendors should be ready by 11:00am and plan to stay open until 7:00pm (dinner hour is 5:30-7:00pm). All vendors are free to stay open as long as you feel the traffic is good!
 - * Sunday: all vendors should again be ready by 11:00am and plan to stay open until 4:00pm. The last stage show ends at 5:00pm, so please be aware of noise, etc when breaking down.
3. **Registration fee for the weekend:**
 - * **\$175 for food vendors (Fri-Sun), due with your application to reserve your space.**
 - * **\$75 craft vendor fee (Fri-Sun); \$50 craft vendor fee (Sat-Sun only)**

Vendors may begin set-up at 10:00am on Friday, August 10th, and **food vendors should be ready to serve by 6pm**. Food vendors should be prepared to serve meals from 11:00am to 7:00pm on Saturday and on Sunday from 11:00am until 4:00pm. If serving breakfast, vendors should be open and ready to serve by 8:00am on Saturday and Sunday.**

Sites are approximately 12' X 12' with adequate wiggle room if needed. There is limited electric and water in the park primarily for the food vendors; quiet generators may need to be used in some areas. Please make arrangements for electric power, if needed, with this application submission. Call for details.

4. Vendors must not begin removal of their exhibits until 4:00pm on Sunday, August 12th. (as a common courtesy to those in the show).

5. Upon receipt of the registration forms, the Festival Committee will assign spaces in the appropriate area.
 6. No porn items, drug related items, or items that may be promoting drugs, alcohol or tobacco, and no sexually suggestive items will be permitted for sale. The BWBG Festival Association reserves the right to ask you to remove any questionable items.
 7. There will be no electricity available to general merchandise vendor booths, only for the food vendors.
 8. Vendors will be responsible for their own personal property during the daytime hours of operation. There will be overnight security provided by the festival; we have never had an incident of theft or vandalism.
 9. All vendors must have proper insurance, license and permits; you will not need a special Medical Lake license since you will be affiliated with the festival.
 10. Your booth must remain clean and attractive.
- ** Please attach an approximation of menu selections and price ranges you plan to serve at the event.
** Will need ____ number of 110w outlets, and/or ____ 220w outlets (food vendors only).
